

Equifax

Introduction

This case study of Equifax is based on a February 2017 survey of Pragmatic Marketing customers by TechValidate, a 3rd-party research service.

“Pragmatic Marketing helps us to ensure alignment, and understand roles and how to best work with technology.”

Challenges

- Took training courses from Pragmatic Marketing in order to:
 - Increase strategic focus
 - Improve time to market
 - Gain clarity in roles and responsibilities
 - Align with internal departments
- Prior to training, Equifax was experiencing:
 - Roadmaps that were guided by opinions and not market facts: Extremely often
 - Delivered features that weren't being used by customers: Extremely often
 - Important features that were dropped from each new release: Very often
 - Delays in product launches: Very often

Use Case

- Equifax employees have taken the following training courses:
 - Foundations
 - Focus
 - Build
 - Market
 - Launch
 - Price
- The entire product management team and the entire product marketing team attended the Pragmatic Marketing training.
- Equifax has offered Pragmatic Marketing training to its employees for 3-5 years.

Results

- Pragmatic Marketing training has helped Equifax:
 - Gain a better understanding of product roles within their organization
 - Better align with internal teams
- Quantifiable results since taking Pragmatic Marketing training are estimated at:
 - Increase in customer satisfaction/NPS: 50-74%
 - Increased understanding of the market and its relevant problems: 50-74%
