

## WHICH DO YOU PREFER?

**IN-PERSON TRAINING** 

You seem to enjoy being around people and engaging in face-to-face conversations. Our in-person training option sounds like the right choice for you.

## LIVE ONLINE TRAINING

As someone who enjoys convenience and lively conversations, it sounds like this is the right option for you. With live, online training, you can still connect with your peers and network with other product professionals, but without the hassle of travel.. Or wearing real pants.

## ON-DEMAND TRAINING

You're a person who enjoys working solo at your own pace. Our on-demand options let you go on your own pace, learning the same great tips, tricks and best practices with incredible flexibility.

Plus, no dress pants required.

Whichever you prefer, however you learn, Pragmatic Institute has training options just for you.
